

Quiz

In this quiz, we define the following symbols:

- Let L , H , R , and d denote lengths.
- Let v , v_i , v_f denote speeds.
- Let g , denote the gravitational acceleration constant.
- Let μ , μ_k , and μ_s denote coefficients of friction.
- Let k denote a spring constant.
- Let θ and ϕ denote angles.
- Let m , m_1 , and m_2 denote masses.
- Let F , F_1 and F_2 denote forces.
- Let t , t_i , and t_f denote times.
